Our HR Culture Code Service

- ✓ Prepare survey questions tailored to your business, its objectives and any areas of focus
- ✓ Carry out an employee engagement survey to assess the current engagement
- ✓ Provide a top-level management report to identify key areas for improvement
- ✓ Supply the raw data for further analysis
- ✓ Facilitate a workshop with upkey managers to interpret the data and apply principles of employee engagement, creating a plan to implement positive change
- ✓ Provide a follow up kit with guidance notes, suggestions and copies of the results data to share with employees
